Consolidated List of Entitlements Circular

This circular presents the consolidated list of entitlements effective 1 January 2017 which is enclosed. Please note that any duty station that is not in the consolidated list, is either inactive or has yet to be formally classified.

During the 2016 Annual Review, several duty stations were given transitional classification, indicating that a duty station is being monitored by the Working Group on conditions of life and work for potential reclassification. These include all active duty stations in Venezuela and Bangladesh, and New Delhi (India) to be reviewed at the 2017 Mid-year Review, as well as duty stations Havana (Cuba) and Kathmandu (Nepal) to be reviewed at the 2017 Annual Review.

Country	Duty Station	Deadline for submission of a questionnaire
Bangladesh	Cox's Bazaar	March 2017
Bangladesh	Dhaka	March 2017
Bangladesh	Rangamati	March 2017
India	New Delhi	March 2017
Venezuela	Caracas	March 2017
Venezuela	Maracaibo	March 2017
Venezuela	San Cristobal*	March 2017
Venezuela	Guasdalito*	March 2017
Cuba	Havana	August 2017
Nepal	Kathmandu	August 2017

*Although **Caracas** was the only duty station in **Venezuela** scheduled to be reviewed at the 2016 Annual Review, the ICSC Chairman decided to approve a special classification of B for duty stations **Maracaibo** and **San Cristobal**, in light of deteriorating local conditions, and to place all active duty stations in Venezuela on a **6-month transition**

The booklet on the mobility and hardship arrangements and related supplementary information provides details of the various allowances and additional benefits provided under these arrangements for mobility and hardship. It is available on the ICSC website: <http://icsc.un.org/resources/hrpd/mah/MOBILITYENG.pdf>
