\* From time to time the ICSC receives requests for temporary hardship classifications so there may be additional duty stations that may fall in this category. Please follow the information provided by the secretariat in those cases.

†The list above was updated to reflect the changes since the last publishing effective 1 July 2019. Mao, Chad was designated as a non-family duty station effective 1 January 2020 and therefore removed from this list. Beira, Mozambique, classified as “E” duty station effective 14 March 2019 was added to this list after UNDSS confirmed in December 2019 that there was no family restrictions for the duty station. Therefore, the effective date for Beira, Mozambique is 14 March 2019.
